2. Approval of the grant by the Company of warrants granting the right to acquire shares of the common stock of the Company to key personnel of the Company, including the CEO, CFO, COO, and Officers of the Company. Such key personnel will pay the Company an aggregate of \$180,000 to acquire these warrants. The warrants will grant the right, in the aggregate, to buy 600,000 shares of common stock of the Company for \$6.00 per share through December 31, 2035. The Board of Directors believe that the grant of these warrants will benefit the Company by raising immediate capital, facilitate the additional inflow of capital into the Company when the warrants are exercised, incentivize performance and retention of officers, managers and directors, and broaden the future shareholder base of the Company.
